It ’ s 1897. Gold has been discovered in the Yukon. New York is under the sway of Hearst and Pulitzer. And in a few months, an American battleship will explode in a Cuban harbor, plunging the U.S. into war. Spanning five years and half a dozen countries, this is the unforgettable story of that extraordinary moment: the turn of the twentieth century, as seen by one of the greatest storytellers of our time. Shot through with a lyrical intensity and stunning detail that recall Doctorow and Deadwood both, A Moment in the Sun takes the whole era in its sights—from the white-racist coup in Wilmington, North Carolina to the bloody dawn of U.S. interventionism in the Philippines. Beginning with Hod Brackenridge searching for his fortune in the North, and hurtling forward on the voices of a breathtaking range of men and women—Royal Scott, an African American infantryman whose life outside the military has been destroyed; Diosdado Concepc í on, a Filipino insurgent fighting against his country ’ s new colonizers; and more than a dozen others, Mark Twain and President McKinley ’ s assassin among them—this is a story as big as its subject: history rediscovered through the lives of the people who made it happen.

“ How do we recognize the moment our future has been written for us? In To Keep the Sun Alive, as the Islamic Revolution looms just outside the gate of an Iranian family orchard, Rabeah Ghaffari has built a world so lush, so precise that you will find yourself rewriting history if only to imagine it could still exist. ” —Mira Jacob, author of The Sleepwalker ’ s Guide to Dancing “[A] tenderhearted de but novel . . . A wide – ranging narrative, showing the enduring ramifications of filial and political violence.” —The New Yorker The year is 1979. The Iranian Revolution is just around the corner. In the northeastern city of Naishapur, a retired judge and his wife, Bibi – Khanoom, continue to run their ancient family orchard, growing apples, plums, peaches, and sour cherries. The days here are marked by long, elaborate lunches on the terrace where the judge and his wife mediate disputes between aunts, uncles, nieces, and nephews that foreshadow the looming national crisis to come. Will the monarchy survive the revolutionary tide gathering across the country? Will the judge ’ s brother, a powerful cleric, take political control of the town or remain only a religious leader? And yet, life goes on. Bibi – Khanoom ’ s grandniece secretly falls in love with the judge ’ s grandnephew and dreams of a career on the stage. His other grandnephew withers away on opium dreams. A widowed father longs for a life in Europe. A strained marriage slowly unravels. The orchard trees bloom and fruit as the streets in the capital grow violent. And a once – in – a – lifetime solar eclipse, set to occur on one of the holiest days of year, finally causes the family—and the country—to break. Told through a host of unforgettable characters, ranging from servants and young children to intimate friends, To Keep the Sun Alive reveals the personal behind the political, reminding us of the human lives that animate historical events.

To possess the Mandate of Heaven, the female monk Zhu will do anything “ I refuse to be nothing... ” In a famine-stricken village on a dusty yellow plain, two children are given two fates. A boy, greatness. A girl, nothingness... In 1345, China lies under harsh Mongol rule. For the starving peasants of the Central Plains, greatness is something found only in stories. When the Zhu family ’ s eighth-born son, Zhu Chongba, is given a fate of greatness, everyone is mystified as to how it will come to pass. The fate of nothingness received by the family ’ s clever and capable second daughter, on the other hand, is only as expected. When a bandit attack orphans the two children, though, it is Zhu Chongba who succumbs to despair and dies. Desperate to escape her own fated death, the girl uses her brother's identity to enter a monastery as a young male novice. There, propelled by her burning desire to survive, Zhu learns she is capable of doing whatever it takes, no matter how callous, to stay hidden from her fate. After her sanctuary is destroyed for supporting the rebellion against Mongol rule, Zhu takes the chance to claim another future altogether: her brother's abandoned greatness. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The #1 New York Times bestseller and National Book Award Finalist from the bestselling author of Everything, Everything will have you falling in love with Natasha and Daniel as they fall in love with each other. Natasha: I ’ m a girl who believes in science and facts. Not fate. Not destiny. Or dreams that will never come true. I ’ m definitely not the kind of girl who meets a cute boy on a crowded New York City street and falls in love with him. Not when my family is twelve hours away from being deported to Jamaica. Falling in love with him won ’ t be my story. Daniel: I ’ ve always been the good son, the good student, living up to my parents ’ high expectations. Never

the poet. Or the dreamer. But when I see her, I forget about all that. Something about Natasha makes me think that fate has something much more extraordinary in store—for both of us. The Universe: Every moment in our lives has brought us to this single moment. A million futures lie before us. Which one will come true? \*\*\* "Beautifully crafted."--People Magazine "A book that is very much about the many factors that affect falling in love, as much as it is about the very act itself . . . fans of Yoon ' s first novel, Everything Everything, will find much to love—if not, more—in what is easily an even stronger follow up." —Entertainment Weekly "Transcends the limits of YA as a human story about falling in love and seeking out our futures." —POPSUGAR.com

A story of first love and family loss follows the estrangement between daredevil Jude and her loner twin brother, Noah, as a result of a mysterious event that is brought to light by a beautiful, broken boy and a new mentor. Simultaneous eBook.

An African-American family is united in love and pride as they struggle to overcome poverty and harsh living conditions, in the award-winning 1959 play about an embattled Chicago family

"Never before, the entire history of the American theater, has so much of the truth of black people's lives been seen on the stage," observed James Baldwin shortly before *A Raisin in the Sun* opened on Broadway in 1959. Indeed Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of black America--and changed American theater forever. The play's title comes from a line in Langston Hughes's poem "Harlem," which warns that a dream deferred might "dry up/like a raisin in the sun." "The events of every passing year add resonance to *A Raisin in the Sun*," said *The New York Times*. "It is as if history is conspiring to make the play a classic." This Modern Library edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff.

#1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in *Twilight*, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, *Midnight Sun*. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In *Midnight Sun*, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. An instant #1 *New York Times* BestsellerAn instant #1 *USA Today* BestsellerAn instant #1 *Wall Street Journal* BestsellerAn instant #1 *IndieBound* BestsellerApple Audiobook August Must-Listens Pick "People do not want to just read Meyer's books; they want to climb inside them and live there." -- *Time* "A literary phenomenon." -- *New York Times*

North Korea is known as the most repressive country on Earth, with a dictatorial leader, a starving population, and harsh punishment for rebellion. Not the best place for a family vacation. Yet that's exactly where Mia Andrews finds herself, on a tour with her aid-worker father and fractious older brother, Simon. Mia was adopted from South Korea as a baby, and the trip raises tough questions about where she really belongs. Then her dad is arrested for spying, just as forbidden photographs of North Korean slave-labor camps fall into Mia's hands. The only way to save Dad: get the pictures out of the country. Thus Mia and Simon set off on a harrowing journey to the border, without food, money, or shelter, in a land where anyone who sees them might turn them in, and getting caught could mean prison -- or worse. An exciting adventure that offers a rare glimpse into a compelling, complicated nation, *In the Shadow of the Sun* is an unforgettable novel of courage and survival.
