Chained to a rock and tossed off a cliff by her boyfriend, Aranya is executed for high treason against the Sylakian Empire. Falling a league into the deadly Cloudlands is not a fate she ever envisaged. But what if she did not die? What if she could spread her wings and fly? Long ago, Dragons ruled the Island-World above the Cloudlands. But their Human slaves cast off the chains of Dragonish tyranny. Humans spread across the Islands in their flying Dragonships, colonising, building and warring. Now, the all-conquering Sylakians have defeated the last bastion of freedom—the Island-Kingdom of Immadia. Evil has a new enemy. Aranya, Princess of Immadia. Dragon Shapeshifter.

"Yesterday, a Dragon kidnapped me from my cage in a zoo." Stolen from her jungle home and sold to a zookeeper, Pip knows only a world behind bars, a world in which a Pygmy warrior and her giant ape friends are a zoo attraction. She dreams of being Human. She dreams of escaping to the world outside her cage. Then, the Dragon Zardon kidnaps her into a new life. Pip rides Dragonback across the Island-World to her new school - a school inside a volcano. A school where Humans learn to be Dragon Riders. But this is only a foretaste of her magical destiny, for the Dragon Assassins are coming. They have floated an Island across the Rift and their aim is nothing less than the massacre of all Dragons. Now, the courage of the smallest will be tested to the utmost. For Pip is the Pygmy Dragon, and this is her tale.

The Storm is coming! The hegemony of Sylakia has been broken and freedom won, but at a shattering cost. Laid low by the vile Shapeshifter pox and Thoralian's wiles, can Aranya rise again? For war sweeps Herimor at the touch of the Marshal's evil claws, and he will stop at nothing to possess the ultimate power. Now, the race is on to find the First Egg of the Ancient Dragons. Accompanied by her friends Zuziana and Ardan, and the magnificent Land Dragon Leandrial, the Star Dragoness must dive deep in her new quest. Cross the

uncrossable Rift-Storm to Herimor. Stop Thoralian. Crush his ambitions. Only then will she be able to save her beloved Dragons. Yet profound Dragon lore enshrouds her purposes. History beckons. What are the secrets of the powerful Dragonfriend and the tiny, lost Pygmy Dragoness? Why did the Dragons disappear? What became of the powerful Dragons of yore? Arise, o Storm Dragoness! She is legend. She is the whisper of starlight upon Dragon scales. She is Aranya, and this is her song. The Song of the Storm Dragon. Author's Note If you haven't read The Pygmy Dragon and The Onyx Dragon yet, please stop right here! Spoiler alert! You will enjoy Song of the Storm Dragon far more if you read those two books first, as the series are closely linked. Otherwise, let the Dragonride commence!

The battle is won, but the war has just begun. Evil stalks the Island-World as the Marshal of Herimor and his Dragon-slaying hordes put nation after nation to the sword. The haunting cry of the Nurguz summons all Dragonkind to their doom. None can resist. But Marshal Re'akka and his all-conquering Dragon Assassins are not the only trouble on the horizon. For there is a new Dragoness finding her wings, and she will stop at nothing to protect her loved ones. She is Pip the Pygmy Dragon, jungle-born, survivor of seven years in a zoo. She dreamed of being Human. She is more. Much more. Now, Dragon wings darken the dawn. Diminutive. Sassy. Full of fire and great heart. As Pip and her friends chart a perilous path in search of the secrets of her heritage, they will find a power of old reborn in the smallest of Dragons. One will stand against evil. She is Onyx, mighty of paw and deed. She is the laughter of starlight, and she will never allow evil to prevail. Let Dragons thunder! Let the battle commence!

Kal was not a thief. He certainly did not intend to steal any dragon's treasure. He was an adventurer. Avid art collector. Incurable wealth adjuster and risk-taker. Kal had legendary expertise in the security arrangements of palaces and noble houses the world over. He hankered for remote, craggy mountaintops and the dragon hoards he might find hidden beneath them. Besides, what harm was there in looking? Dragon gold was so ... shiny. Most especially, he was not planning for any treasure to steal him. That was a little awkward, to say the least.

I am Dragon. Fear the talon that carves your doom! Having been kicked into shape by his captive Princess, the Dragon formerly called Blitz has new fires and a new name. He is a Dragon - imaginatively - called Dragon. Now, he must discover who he is. Simple, right? As simple as a Dragon shedding his own scales. With war looming, the intrepid pair decide to fly over the Tamarine Mountains and across the oceans to the Island Archipelago where Azania's long-time love awaits, hoping to recruit an army of fierce warrior Dragonesses. Can the Princess rescue his King? Will Dragon find his true family and avoid losing his head - literally - over his interest in Aria Seaspray? The second hilarious, epic volume in Dragon Fires Rising follows the

rollercoaster adventures of a misfiring Dragon and a feisty black Princess.

Call me Dragon. It's the last thing you'll ever do. Blitz the Devastator has never done a decent day's devastating in his life. Fireless, artistic and shunned by his Dragon Clan, he struggles to pillage even the meanest village. A future full of misery and failure beckons. This much is true until the day the burly brown Dragon successfully - imagine that - kidnaps the Princess Azania. As a black Princess of T'nagru, this spirited beauty is by definition the most unforgettable woman in the seventeen realms. Knights errant, men-at-arms and sundry Princes expire at her feet in drivelling worship. Unfortunately, they all want his scaly head on a platter shortly thereafter. Goes with the territory. To Blitz's consternation, the royal nuisance refuses to behave herself and be a typical pampered Princess. With humour, unconventional flair and the odd stomp of her diminutive slipper, she sets out to reform her Dragon. One question remains. Who will save the Dragon from the Princess?

Blind. Outcast. Accursed. From the meanest of beginnings, greatness will rise. Abandoned at birth by her parents, Auli-Ambar is seen as a child blighted by a callous talon-stroke of fate. A worthless burden. She is blind, severely disfigured, and fit only for the most menial tasks. Then, a simple act of kindness changes her life. Flown to the Halls of the Dragons, the painfully shy girl becomes a cleaner of Dragon roosts, and a helpless wanderer of the Dragon Library. Here, Auli is able to walk amidst the lore she is drawn to so profoundly. Touch it. Imagine worlds within scrolls. She thrills to the hallowed scents of knowledge, but aches for what blindness has forever denied her. In the cruellest of ironies, Auli discovers she possesses a magic that makes people and Dragons forget her very existence. This is disremembrance, the accursed power of loneliness. She can only despair. One will not forget. Deep amidst the forbidden racks of draconic scroll lore, where Auli-Ambar has unwittingly breached the protective wards, the young Dragon scholar, Arkurion the Mercury Blue, will discover her true gift and ignite its flame. Now, in the environs of a magical library overseen by the mighty Dragon Librarian Sazutharr, the extraordinary courage and integrity of a blind girl will finally be given the chance to blossom. Little did they suspect that the fate of all Dragonkind would rest in her hands.

Stabbed. Burned by a dragon. Abandoned for the windrocs to pick over. The traitor Ra'aba tried to silence Hualiamia forever. But he reckoned without the strength of a dragonet's paw, and the courage of a girl who refused to die. Only an extraordinary friendship will save Hualiamia's beloved kingdom of Fra'anior and restore the King to the Onyx Throne. Flicker, the valiant dragonet. Hualiamia, a foundling, adopted into the royal family. The power of a friendship which paid the ultimate price. This is the tale of Hualiamia Dragonfriend, and a love which became legend.

United by flame. Divided by all else. Flame-haired heiress Tytiana has it all. She enjoys wealth, power, privilege, and a growing reputation as a scientist and botanist serving the lucrative silk trade of Helyon Island. But amongst her peers, being a peg-legged redhead beauty bears a terrible price. She is a pariah. Jakani, the son of an immigrant Dirt Picker and a disabled mother, has nothing. Born into abject serfdom, the rebellious Easterner relies on his wits, dubious honour and infallible nose for trouble - until fate throws him together with Tytiana, and sets them both ablaze. Only, who is the moth and who is the candle? As the pirate Dragon cabals move in power against Helyon, sowing mayhem and destruction, Jakani and Tytiana must race against time and the terrible, consuming inner fires to discover the identity of a murderer of Islanders and Dragons alike. Who is the ruthless mastermind who stands to profit from Helyon's troubles? Who wants Tytiana murdered, and why? In the crucible of forbidden romance, draconic infernos run high and passions deep, and fate can turn on the razor-tip of a Dragon's talon. The answers they find will challenge all they know and love. A standalone Dragon adventure that continues my Shapeshifter Dragons series, set 100 years after the events of Aranya and Chaos Shifter.
