As a new wave of protests sweeps the nation and the world, young readers will be inspired by these accounts of activists who refused to be ignored. "This book is right on time."--Nikki Grimes, Children's Literature Legacy Medal Winner From music to marches, from sit-ins to walk-outs, activists throughout history have defended the disenfranchised and demanded reform, refusing to back down even in the face of violent oppression and overwhelming opposition. Today, a new generation of activists has arisen, speaking up in unprecedented numbers against systemic oppression, bias, and injustice. Resist!, a collection of 21 brief but comprehensive essays accompanied by striking artwork and rich supplementary material by Diane Stanley, reminds us of the activists who came before: the men and women who have used peaceful resistance and non-violent protests to make their voices heard. Featured figures include: Harriet Tubman, Elizabeth

This combination manual and DVD provides much-needed training on the proper handling of rats used in biomedical research. The DVD includes narrated video clips that demonstrate and describe each procedural technique. The manual contains handouts with color illustrations and descriptive text for each technique, including the purpose and application of the procedure, recommended skills, and necessary supplies. It can be used as a training resource and refresher for lab animal veterinarians, veterinary technicians, animal care staff, trainers, and research investigators and staff who work with rats.
