'FRG v. Philipp' and the FSIA: The U.S. Supreme Court Misapprehends the Holocaust

At Auschwitz, Höss faced the same difficulty ... participated in the Nazis' 'Final Solution'. But for every Lieutenant Albert Battel there were countless more willing perpetrators.

David Cesarani's Final Solution is a magisterial work of history that chronicles the fate of Europe's Jews. Based on decades of scholarship, documentation newly available from the opening of Soviet archives, declassification of Western intelligence service records, as well as diaries and reports written in the camps, Cesarani provides a sweeping reappraisal that challenges accepted explanations for the anti-Jewish politics of Nazi Germany and the inevitability of the "final solution." The persecution of the Jews, as Cesarani sees it, was not always the Nazis' central preoccupation, nor was it inevitable. He shows how, in German-occupied countries, it unfolded erratically, often due to local initiatives. For Cesarani, war was critical to the Jewish fate. Military failure denied the Germans opportunities to expel Jews into a distant territory and created a crisis of resources that led to the starvation of the ghettos and intensified anti-Jewish measures. Looking at the historical record, he disputes the iconic role of railways and deportation trains. From prisoner diaries, he exposes the extent of sexual violence and abuse of Jewish women and follows the journey of some Jewish prisoners to displaced persons camps. David Cesarani's Final Solution is the new standard chronicle of the fate of a heroic people caught in the hell that was Hitler's Germany.

Profiles 166 men and women who struggled to save Jews from German aggression during World War II, and includes brief biographies of major Nazi figures

Insights gleaned from more than one hundred original interviews shed new light on history's most notorious death camp, with the testimonies of survivors providing a detailed portrait of the camp's inner workings.

A thorough analysis of Allied actions after learning about the horrors of Nazi concentration camps—includes survivors' firsthand accounts. Why did they wait so long? Among the myriad questions of what the Allies could have done differently in World War II, understanding why it took them so long to

respond to the horrors of the Nazi concentration camps—specifically Auschwitz—remains vital today. In *Auschwitz and the Allies*, Martin Gilbert presents a comprehensive look into the series of decisions that helped shape this particular course of the war, and the fate of millions of people, through his eminent blend of exhaustive devotion to the facts and accessible, graceful writing. Featuring twenty maps prepared specifically for this history and thirty-four photographs, along with firsthand accounts by escaped Auschwitz prisoners, Gilbert reconstructs the span of time between Allied awareness and definitive action in the face of overwhelming evidence of Nazi atrocities. “An unforgettable contribution to the history of the last war.” —*Jewish Chronicle*

This volume presents a comprehensive, multifaceted picture both of the destructive dynamic of the Nazi leadership and of the attitudes and behavior of ordinary Germans as the persecution of the Jews spiraled into total genocide.

Probing the culpability of Adolf Hitler regarding the Holocaust, this study asserts that the Fuhrer personally designed and ordered the extermination of the Jewish people--the Final Solution carried out by Himmler and the SS

Examines the history of persecution against European Jews, discusses the definition of a Jew according to the German regime, and describes the processes through which Jews were eliminated during the Holocaust years."

The Nazi campaign against Jewish people living in their territories began slowly; by the time death camps such as Auschwitz were established, it was too late for many Jews and other targeted groups. Even if they had the resources to leave, they were often denied entry by other countries. This volume, featuring a detailed timeline, discussion questions, and excerpts from primary sources, offers an in-depth look at the Nazis' rise to power. Engaging sidebars connect this past tragedy to present-day events, including recent genocides and the establishment of what many have called modern-day concentration camps at the US-Mexico border.

Fanatical anti-Semitism and the persecution of Jews ended in the Holocaust's horrific legacy, the murder of nearly 6 million Jews. Author Ann Byers analyzes the factors that led to the persecution of Jews, as well as the rise and fall of Hitler's Third Reich.
