The World Is No Longer Flat Culo is an art, fashion, and pop-culture movement that defies all national, cultural, and linguistic boundaries. No matter if you were raised to call it derriere, tush, rear end, or booty, culo is the new epicenter of female sexuality, desire, and empowerment. Over the past decade, some of the world's most celebrated women have subtly shifted our long-held ideals of physical perfection toward a shape that is more authentic and bold. While culo has long been venerated in certain cultures, it is now becoming the object of worldwide mainstream admiration. This emerging global love affair with culo is as much about the blending of African, Latin, European, and Asian beauty as it is about celebrating the female form's most coveted asset. Culo by Mazzucco pays tribute to this phenomenon through a singular artistic vision. In more than 200 photographs and artworks created on location around the world, a diverse group of women—some already legendary, some about to become so—embody the spirit of culo and the start of a new era of beauty.

Teodora has always longed to visit Venice, and at last she has her chance. But strange and sinister things are afoot in the beautiful floating city. Teo is quickly subsumed into a secret world in which salty-tongued mermaids run subversive printing presses, ghosts good and bad patrol the streets, statues speak, rats read, and librarians fluidly turn into cats. And where a book, *The Key to the Secret City*, leads Teo straight into the heart of the danger that threatens to destroy the city to which she feels she belongs. An ancient proverb seems to unite Teo with a Venetian boy, Renzo, and with the Traitor who has returned from the dark past to wreak revenge. . . . But who is the Undrowned Child destined to save Venice?

A bloodstone dagger to ward off evil... In a matter of weeks, Savannah Cross has ascended, overcome a prince of darkness, and lost one whom she loved. Her powers have become a liability in the wake of her shattered world. Her rapid descent into a delusional vortex has made her unable to tell fantasy from reality. She knows her visions cannot be real and yet are as unquestionable as the air she breathes. Her only solace is the demise of the evil that would have destroyed her loved ones, but can evil ever truly die? Willow watches as Savannah spirals into chaos, but is unable to help. She must answer Death's ultimatum with one of her own. How will she leave behind everything to embrace a sisterhood of immortals, who do not accept her? Savannah must pull herself from the dark void that has invaded her soul, while Willow must learn to embrace the hell-hound within, because an evil has awakened to avenge hell's lost prince. Will they be strong enough to face the wrath of hell?
