Heaven seems much nearer in your eyes I wish that I could touch your lonely heart I can see your face and I start to trembling all inside Don't know why but it's true We're so close and yet so far away Wish that I could touch your lonely heart Open up and let my light inside I just wanna be your friend Let's forget about the tears we've cried

Natalie Cole - Your Lonely Heart Lyrics | AZLyrics.com

From the 16th century "to eat one's own heart" (to suffer in silence from anguish or grief), possibly from the Bible "to eat one's own flesh" (to be lazy) The phrase "to eat one's heart out" appears as a formulaic phrase in the Iliad, meaning to experience extreme grief. (For instance, Iliad.24.128, many other locations.)

What is the origin and meaning of the phrase 'eat your ...

Embracing Your Lonely Heart — Four Steps. When your lonely heart begs for attention, turn and lovingly embrace it. Your heart is trying to communicate an essential message to you. Listen and have a conversation with your heart. 1. Be the Observer. Commit to logging your lonely episodes for one week. By doing so, you ' ll gain valuable insight into your lonely feelings. Keep it simple.

In two years Rochelle Morton went on over 700 dates, after having placed an ad in the personal section of Loot. In this book she tells of the actors, radio stars and company directors who shocked, amused, charmed and bored her over dinner.

What to do when food is NOT your best friend. According to a recent Self Magazine, 65% of all women have an unhealthy relationship with food. Often they use food to numb feelings and become binge eaters or overeaters. Food becomes their primary means for coping with everyday stress, anxiety, and other difficult feelings. Drawing on her experience of working with compulsive overeaters and binge eaters for over twenty years, Meryl Beck has developed a revolutionary approach for rewiring your brain that incorporates spiritual, physical and emotional tools for getting healthy. This 21 day plan brings together tools from psychotherapy, the 12 Steps, personal growth, work, and energy healing. Stop Eating Your Heart Out offers a way to rewire the brain to respond differently to the impulses and feelings that create bingeing. Beck, a therapist, and former binge takes an approach to recovery from emotional eating that incorporates spiritual, emotional, and energy work.

Finding My-Self takes an occult approach to autobiography. The book quickly engages with the nature of the self which is composed of soul (or higher Self) and personality (or lower self). The nature of the personality is considered and then attention turns to the soul and how it can be invoked by meditation. Visualisation is seen as a useful means by which to stimulate the thinking process which carefully, persistently and regularly adopted can be expected to help us draw the thinker closer to the soul. Initially it may be little more than fleetingly sensed. However, a lifestyle focused on dedication to this higher Self sets those who meditate on the path of soul contemplation. Care is taken to explain the process whereby the higher Self may be envisaged. At the same time the book provides many issues of importance to the autobiographer and also pays attention to healing since often, those who recall their lives experience pain by so doing. Dr.T.S.Chivers.

Are you ready for seconds? Eat Your Heart Out is back for 2022 with 19 brand new standalone stories from bestselling romance authors. Pull up your chair and dig into a variety of drool-worthy stories! Whether you want to dip into something steamy, or nibble on something sweet, you'll find your perfect match amongst the pages. Max Lacey Carter Andersen Laura Greenwood Lexie Miers Linzi Basset Margo Bond Collins Mia Harlan Rachel Everly Skye MacKinnon TB Mann Zoey Indiana

Could this be the perfect place to start over...? When Nicola ' s marriage falls apart and she ' s left broken-hearted, she decides to move back home to the idyllic village of Furzewell. But her fresh start isn ' t everything she hoped it would be – daughter Mia is struggling to fit in at school and she ' s finding it challenging living with her overbearing mother. But when she joins the local dog-walkers group, Nicky finds the support she ' s been looking for – The Lonely Hearts Dog Walkers never fail to be there for each other in a crisis. When their local park is threatened by developers, they are determined to rally together to save it. Can Nicky fight to protect her new community and find her happy forever after? A heart-warming tale of love, family and four-legged friends – perfect for fans of Lucy Diamond, Phillipa Ashley and Katie Fforde.

Jo Waldman lives life to her own soundtrack—working for her father by day while pursuing her music career in NYC ' s downtown clubs at night. Music is her passion, along with her boyfriend, Jesse, who shares her dreams of making it big. Jo's old band, The Lonely Hearts Club, came thisclose to getting a huge recording contract, and she ' s just biding her time, waiting for lightning to strike twice. The music business is tough, but so is Jo. So when Jo's father fires her and Jesse breaks up with her, Jo doesn ' t get upset—she just wants to rage. Dusting off her computer, Jo writes a blog entry, pouring her heart out about the shortcomings of love. Except that no sooner does Jo hit " upload " than the site sends a mass e-mail to the entire Lonely Hearts mailing list, alerting everybody Joe has ever met that she's been brutally dumped. All Jo wants to do is hide under the covers, but to her surprise, supportive e-mails start flowing in—many of them from complete strangers. Apparently, her anti-love rant has struck a chord. The Lonely Hearts Club Blog develops a huge following, even capturing the eye of Jo ' s sworn nemesis, bubble gum pop princess Amber Fairchild. Jo soon becomes an icon for all things " anti-love, " and at her fans' request, she begins to plan The Lonely Hearts Club Ball—a massive anti-love Valentine's Day party to end all parties. Jo quickly becomes the poster girl for lonely hearts, and it inspires her to start writing music again. There's only one problem: the web programmer helping Jo with her site is simply dreamy. Jo's never been very good at depriving herself of anything, but if this budding romance is exposed, she'll be revealed as an 'anti-love' fraud and risk losing all the people who have grown trust her voice. So is it time to start singing love songs, or time to pick up the guitar and return to the hard rock that almost got The Lonely Hearts signed in the first place? Either way, Jo's got some big decisions to make, and it looks like she's going to have to take one step closer to doing something she never thought she'd do—becoming a grownup. From Brenda Janowitz, author of the beloved Brooke Miller novels SCOT ON THE ROCKS and JACK WITH A TWIST comes another uproariously funny and heartfelt story that will ring true to anyone who's dug themselves into a hole only to find that getting out is where you least expect it.

Six disgruntled teens are forced to spend their winter break at fat camp during Flagstaff, Arizona's worst blizzard in a century, only to find that Camp Featherlite is even worse than expected because it is crawling with genetically-modified monsters.

Stories that illuminate the lives of those living on the fringe, from the haunted and heartbroken to the dreamers, losers, and love-lost souls.

With high hopes of conquering Hollywood, the novel ' s main character goes to Los Angeles to study directing and screenwriting. On the way, she ends up at a roadside bar that uncannily links the destinies of the main characters, who had given up everything to follow their dreams. What ' s in store for the young rebels in Los Angeles? Does your dream have another side, one that ' s just as enigmatic and invisible as the far side of the Moon?

The consequences of past decisions can ruin your future... Instead of planning her wedding, Kaitlyn Rodgers is facing motherhood alone, the pressures of a new job, and caring for her rebellious younger sister. What should have been the happiest time of her life turns into one stressful event after another. After watching his father struggle to raise a family by himself, auto mechanic Antonio Rodriguez refuses to follow in his father ' s footsteps...even if it means a lifetime of loneliness. When Kaitlyn's car breaks down, though, Antonio goes beyond auto repairs to take care of her needs. Soon, an unexpected friendship begins, allowing Kaitlyn and Antonio a glimpse of happiness...until the father of Kaitlyn ' s child returns, ready to offer her marriage and a future. But at what cost?
