Robin Roberts' "Everybody's Got Something" Podcast by ABC Audio & Rock'n Robin Productions Ever wonder how some people go through devastatingly hard times, only to bounce back better than ever?

Robin Roberts' Everybody's Got Something Podcast - ABC Audio

We have heard some amazing stories of resilience during the first two seasons of "Everybody's Got Something" -- but until now, we've focused on people you probably know. This week, we focus on our listeners' own 'somethings.' Robin even sat down with one listener, Sammy Kamara, and his wife, Carol, in our New York City studio!

Robin Roberts' Everybody's Got Something on Apple Podcasts

Following her mother's advice to "make your mess your message", Robin taught a nation of viewers that while it is true that we've all got something - a medical crisis to face, aging parents to care for, heartbreak in all its many forms - we've also all got something to give: Hope, encouragement, a life-saving transplant or a spirit-saving embrace.

The beloved Good Morning America anchor shares the incredible journey that's been her life so far and the lessons she learned along the way as she battled breast cancer and a rare blood disorder and dealt with the death of her mother.

"Regardless of how much money you have, your race, where you live, what religion you follow, you are going through something. Or you already have or you will. As momma always said, "Everybody's got something." So begins beloved Good Morning America anchor Robin Roberts's new memoir in which she recounts the incredible journey that's been her life so far, and the lessons she's learned along the way. With grace, heart, and humor, she writes about overcoming breast cancer only to learn five years later that she will need a bone marrow transplant to combat a rare blood disorder, the grief and heartbreak she suffered when her mother passed away, her triumphant return to GMA after her medical leave, and the tremendous support and love of her family and friends that saw her through her difficult times. Following her mother's advice to "make your mess your message," Robin taught a nation of viewers that while it is true that we've all got something -- a medical crisis to face, aging parents to care for, heartbreak in all its many forms --- we've also all got something to give: hope, encouragement, a life-saving transplant or a spirit-saving embrace. As Robin has learned, and what readers of her remarkable story will come to believe as well, it's all about faith, family and friends. And finding out that you are stronger, much stronger, than you think.

We often hear that success requires pushing the boundaries, coloring outside the lines, stepping on toes, and breaking all the rules. But some rules are so critical they aren't meant to be broken. Here, perennially popular Good Morning America host Robin Roberts reveals the 8 rules that she has always honored on her road to success. Illustrated with stories from her work, her family, and her faith, she explains how deceptively simple maxims like "Never lose sight of the Big Picture" and "Give people the benefit of the doubt" are both deeply meaningful and crucial to happiness and genuine accomplishment. Combined with a good dose of Robin's trademark humor, warmth, and honesty, this book will be required reading for anyone in need of an infusion of sincere inspiration. And in light of her announcement in July 2007 that she had breast cancer, Robin's message is bound to touch an even larger audience.

In the vein of *I Really Needed This Today* by Hoda Kotb, a book of inspirational quotes, prayers, and stories collected by the beloved

host of Good Morning America and New York Times bestselling author Robin Roberts to infuse readers' daily lives with positivity and encouragement. Over the last 16 years as the esteemed anchor of Good Morning America, Robin Roberts has helped millions of people across the country greet each new morning, gracing our screens with heart and humility. She has sought to bring a bit of positivity into each day, even in the most trying of times. Now, she shares with readers the inspirational stories, quotes, and memories that have helped her find the good in the world and usher in light--even on the darkest days. With words of encouragement found in history, prayers, conversations with loved ones, literature, psalms, and speeches that reach out across the national divide, Robin offers a window into how she feeds her own mind, spirit, and soul and invites readers to do the same. With a deeply personal touch, she explains why these passages have had a profound impact on her and how we can shift our mindsets and give ourselves permission to let our best intentions take root and be true. Full of wisdom and insight and beautifully designed, this collection of carefully curated quotes will be a breath of fresh air for daily reflection.

"Regardless of how much money you have, your race, where you live, what religion you follow, you are going through something. Or you already have or you will. And finding out that you are stronger, much stronger, than you think.

Have you ever wondered why we spend so much time and energy thinking about the big challenges in our lives when all the evidence proves it's actually the little things that change everything? That's right... Absolutely everything. New York Times bestselling author Andy Andrews is known for his strong storytelling and unequalled perspective on principles that empower the human mind and spirit. The Little Things embodies his own approach to life and work, detailing for the first time some of the exclusive material that he uses to teach and coach some of the most successful corporations, teams, and individuals

Read Online Everybodys Got Something Robin Roberts

around the world. In his unique humorous style, Andy shows how people succeed by actually going against the modern adage, "don't sweat the small stuff". By contrast, Andy proves that it is in concentrating on the smaller things that we add value and margin. "In a world where so many feel powerless, wouldn't it be great to feel in control? Then know this. Perspective can be more important than basic answers. "I am more passionate than ever about my search to notice that one thing . . . that one tiny thing that, when understood and harnessed, allows us to create a life of extraordinary purpose and powerful results. It's less about drive and will power than it is about understanding certain principles and why they work . . . every time. Andrews provides common-sense perspective and a game plan for meeting various challenges, such as: Managing life in a society that seems to be constantly offended by something or someone Creating change that is permanent and not short term Dramatically increasing results by harnessing the fraction of margin between second place and first Understanding our spiritual connection with God and how that affects planning and outcome Identifying the very moment when asking the question why? multiplies the success of an endeavor Recognizing the smallest details that ensure the greatest success

In this very personal book, Good Morning America anchor Amy Robach retraces the twelve months following her breast cancer diagnosis in October 2013. From her on-air mammogram onGMA to her treatment and its impact on her work life, her family, and her marriage, Robach takes readers on an emotional journey of resilience, bravery, and hope.

Veronica Chambers, who is currently a contributing editor at Glamour, looks back on the relationship she had with her mother, growing up in Brooklyn in the 1970s, and shares some important truths about what we all really want from our mothers--and what we can give them in return.

Have you ever found yourself pondering your dog's sexual preference? Perhaps the answer lies within these pages.

The story of Kurt Vonnegut and Slaughterhouse-Five, an enduring masterpiece on trauma and memory Kurt Vonnegut was twenty years old when he enlisted in the United States Army. Less than two years later, he was captured by the Germans in the single deadliest US engagement of the war, the Battle of the Bulge. He was taken to a POW camp, then transferred to a work camp near Dresden, and held in a slaughterhouse called Schlachthof Fünf where he survived the horrific firebombing that killed thousands and destroyed the city. To the millions of fans of Vonnegut's great novel Slaughterhouse-Five, these details are familiar. They're told by the book's author/narrator, and experienced by his enduring character Billy Pilgrim, a war veteran who "has come unstuck in time." Writing during the tumultuous days of the Vietnam conflict, with the novel, Vonnegut had, after more than two decades of struggle, taken trauma and created a work of art, one that still resonates today. In The Writer's Crusade, author Tom Roston examines

Read Online Everybodys Got Something Robin Roberts

the connection between Vonnegut's life and Slaughterhouse-Five. Did Vonnegut suffer from Post-Traumatic Stress Disorder? Did Billy Pilgrim? Roston probes Vonnegut's work, his personal history, and discarded drafts of the novel, as well as original interviews with the writer's family, friends, scholars, psychologists, and other novelists including Karl Marlantes, Kevin Powers, and Tim O'Brien. The Writer's Crusade is a literary and biographical journey that asks fundamental questions about trauma, creativity, and the power of storytelling.
