This is not just another How to Ride a Motorcycle book. It is a definitive book on how to survive the early stages of the motorcycling experience. It provides insights that will be valuable throughout your riding career. It covers virtually every aspect of your early riding career from your days as a wannabe through being a newbie at the sport, with lessons on the specific skills required to be a truly competent rider, and it explains why. Jim and Cash have distilled the results of over a half million miles of combined experience and have added Jim's detailed analysis of the physics of motorcycling. You'll ride smarter after reading and studying this.

For motorcyclists who have already learned how to operate their bikes with competence. Volume 2 provides detailed explanations of such subjects as weight management and traction during braking and acceleration, slip angles, accident avoidance maneuvers, and much more. Group riding is covered, including authoritative suggestions for pre-ride briefings, lane changes and other normal riding maneuvers, and unusual formations involving trikes and sidecar rigs, as well as how to deal with an impaired rider. Riders who wish to carry a passenger, tow a trailer, go camping, or tour on their motorcycles will find information here on how to plan such trips. Jim and Cash have distilled these lessons from over a half million miles of combined experience, and Jim's spreadsheets and models give readers the ability to analyze complicated issues of physics and motorcycle handling. You'll discover more interesting material than you can imagine when you study the contents of Volume 2. Letter paperback. 176 pages.

With exquisite, detailed photographs and histories of the motorcycles featured from Harley's collection, this book captures the excitement of the best-known motorcycles in the world.

Harley-Davidson® 2022 offers 16 months of legendary motorcycles from the world's most celebrated motorcycle manufacturer. Produced in cooperation with Harley-Davidson®, this new edition of Motorbooks' best-selling calendar includes bikes spanning Harley-Davidson's history from legendary classics to today's top machines. Harley-Davidson® 2022 features stunning portraits shot specifically for this calendar by veteran Harley-Davidson® photographer David Blattel, as well as historic images from the Harley-Davidson® archives. Included with the calendar is a stunning 17" x 12" frame-ready poster.

American Motorcyclist magazine, the official journal of the American Motorcyclist Associaton, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN.

A handsome, informative overview of Harley Davidson's 100 plus years of style and innovation.
