A memoir from the former porn star and addict Jennie Ketcham, whose stage name was Penny Flame.

Drunk and high, holed up in a hotel room with a beautiful blonde she barely knew, Jennie Ketcham was thirty-six hours away from entering rehab. Her on-camera alter ego, Penny Flame, was a rising star. Her personal life, however, had been getting worse for years and finally hit an all-time low. Guys are gonna want one thing from you. To Jennie's young ears, her father's advice meant one thing: You can use your sexuality to control men. Life was imploding around her: her parents' divorce, their spiraling addictions, her deteriorating relationships with them. She lost her virginity at thirteen and began a game of initiating boys her age into manhood. For the fleeting moments she spent in bed with them, she got to be the center of attention. Eventually, Jennie found porn—that enticing world of immediate gratification, endless drugs, and seemingly endless money—and became Penny Flame. Divorced from her feelings, tempted into a lifestyle she couldn't afford, financially or emotionally, she entered Sex Rehab with Dr. Drew to boost her career. But when Dr. Drew and his staff insisted she go by her real name, the once indestructible walls she had built around herself began to burn down. Two stories make up this direct and disarming memoir: that of a troubled girl desperately fleeing intimacy and herself, and that of a woman courageously breaking down

emotional barriers to build a new life. Many will recognize Jennie ' s struggles: confusing sex with self-worth, addiction with love, detachment with strength. Ultimately, I Am Jennie is a tale of a woman who considers herself a work in progress but who finally understands that the only person she can truly afford to be is herself. \*\*\* I had never allowed myself to wonder why i ran from people, from connection, from what Dr. Drew was labeling as intimacy. I had never questioned why I habitually hurt the men I dated, or the people in my family. I had never thought: Jennie, why are you doing this? In the past, I had simply acted, and then moved forward. If I felt like crying, I shut the emotions down. This quality made me a good porn star. But it suddenly didn ' t seem like a great way to live. “ It ' s a wall, ” I whispered. “ What do you think is behind that wall? ” Dr. Drew said. He looked directly in my eyes. The thought of something existing behind this impenetrable wall was horrifying, exhausting. I grabbed a Kleenex, thinking if I could make the perfect triangle, I could dab my inner eyes without disrupting the glue that held my fake eyelashes in place. “ Hopefully, a caring, sensitive person who can have meaningful relationships, ” I said.

"Allen understands the daily struggle so many of us face with the fear that we are not enough. And she invites us into a different experience, one in which our souls overflow with contentment and joy"--

Beverly Hills, 90210's Jennie Garth shares her life experiences both on screen and off in this humorous and heartwarming memoir... "Revealing myself in these pages has been at times terrifying, but also one of the most liberating experiences of my life...." In this candid and intimate memoir, Jennie Garth explores the highs and lows of her life, both in front of the camera and behind closed doors, revealing the joys and sorrows, successes and failures that have made her one unforgettable Hollywood blonde. From her rise to fame as a golden-haired teen beauty, to redefining herself as a single working mother, Jennie Garth has defied the odds and thrived in a town that can be more than a little tough on its blondes. Since Jennie landed in Hollywood at just sixteen, she has built an enduring career as a television and film actress, producer, and director, beginning with her iconic turn as Kelly Taylor on Aaron Spelling's smash hit Beverly Hills, 90210, a show that ran for a decade and that cemented Jennie's place in American pop culture. Recently, Jennie found herself facing her forties from a place she never expected to be in: newly single, in demand again as an actress after years spent focusing on her family, and all over the tabloids. With candor and a bawdy sense of humor, this is the real Jennie Garth—smart, funny, and stronger than she ever realized.

At home, work, and out in our ever-changing world, we're all just doing our best. In this modern parody, Frog and Toad are here to commiserate and lend some laughter. Full of wry humor and deep compassion for our modern vulnerabilities, the stories in *Frog and Toad Are Doing Their Best* perfectly capture the heartwarming authenticity of Lobel 's famous amphibian friends while revealing razor-sharp truths about the world we live in today. Through Frog and Toad, we see the anxieties that are woven throughout our everyday existence, from our well-meaning but often-failed attempts at practicing self-care to our struggle to balance the gifts and burdens of technology. Toad ponders a variety of questionable schemes to pay off his credit cards, while Frog spends too much time scrolling through the newsfeed on his phone. But despite their daily frustrations and existential concerns, they know that having a friend to share life 's burdens makes even the darkest days brighter.

In *Restless*, an 8-session, video-based small group Bible study, Bible study teacher and author Jennie Allen helps you discover a practical plan to identify the threads of your life and how to intentionally weave them together for God's glory and purposes. *Restless* explores this important question: " Do I matter? " And Jennie asks, "We live with lots of things, lots of people...but do we live for something? " Using the story of Joseph, Jennie explains how his suffering, gifts, story, and relationships fit into the greater story of God-and how our stories can do the same. Then she also introduces *Threads*-a tool to help you see your own personal story and to uncover and understand the raw materials God has given you to use for his glory and purpose while on this planet. The lessons in this study guide are engaging and interactive, offering in-depth Bible study, personal stories, and projects enabling the teaching to move off the page and into your life. Sessions include: Restless God's Story Gifts Suffering Place People Passions Mystery Designed for use with *Restless: A*
