A 22-year-old Dorothy Gale searches for the Fountain of Youth so she can return to her twelve-year-old self after having been imprisoned by the Nome King while he ruled the Land of Oz. However, she along with Scarecrow, Tin Man and Hungry Tiger discover an abandoned castle in Oz haunted by golems! Based on the timeless classic L. Frank Baum Oz books. Events within Dark Oz take place after the acclaimed Caliber Comic OZ books. Collects issues 1-5. Overview: OZ is based on the characters and "history" of fourteen children books written by L. Frank Baum. Writers Ralph Griffith and Stuart Kerr have created an updated and unique world, no longer whimsical, but still lots of fun. While the familiar triple treat of Scarecrow, Lion and Tin Man play prominent roles, Griffith and Kerr have mined that magical world for the myriad of bizarre, yet endearing secondary characters which populated it. Prepare to be entertained with a truely unique tale from the land of make-believe.

Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in-depth reviews.

Discover the definitions you need with this small dictionary that uses pictures, diagrams, and detailed annotations. Ultimate Visual Dictionary has been designed to give you easy access to the vocabulary you need. It contains more than 33,000 terms that are grouped into 14 sections that cover a wide range of topics, such as The Universe, Prehistoric Earth, Modern World, and Architecture. The accessible and paperback format makes this dictionary an ideal reference tool for new learners of the English language or anyone who wants to know more about a particular topic. See what other dictionaries only tell you with the Ultimate Visual Dictionary.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

An easy-to-follow introduction to digital audio demystifies the techniques of making, editing, sharing, and preserving high-quality videos, offering practical suggestions on the array of camcorder choices available and how to pick the right one, how to shoot a better video, essential technical skills, downloading and editing procedures, and more. Original. 12,500 first printing.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
