Improve your household management skills with these proven essentials. In the opinion of the author using the information in this book could help some marriages.

“ The heart-pounding space race is on . . . in this riveting SF thriller ” from the Hugo and Nebula Award – winning author of Red Lightning and Rolling Thunder (Publishers Weekly, starred review). As Chinese and US spacecraft compete to be the first to land on Mars, a former astronaut, his cousin, and four teens from Florida decide to take matters into their own hands. If they can quickly build their own space-worthy ship using scrap metal, appliances, and power tools, they have a chance to come from behind—thanks to an inventive new power source that can propel them to the Red Planet within three days. No guts, no glory . . . “ Varley ’ s great strength is in his characterizations, but in Red Thunder he also shows a strong sense of place. . . . If you are willing to simply fantasize about fleeing your office cubicle and becoming a heroic space explorer, this novel will fulfill your wishes. ” —The Washington Post “ Fast paced . . . Engaging characters. ” —Rocky Mountain News “ Full of little gems of wit and intelligence. ” —Booklist “ [A] fun-filled adventure. Varley matches a serious literary style with an outrageous plot, and he ’ s one of the few writers in the field who could make it work. ” —Chronicle

Red Thunder, Red Lightning, and Rolling Thunder— “ action-packed, science-packed homages to Heinlein ’ s best work ” —now in one volume (Cory Doctorow, Boing Boing). Enjoy all three novels in Hugo and Nebula Award – winning author John Varley ’ s Mars saga! Red Thunder As Chinese and US spacecraft compete to be the first to land on Mars, a former astronaut, his cousin, and four teens from Florida have a chance to beat them both—thanks to an inventive new power source that can propel them to the Red Planet within three days. No guts, no glory . . . Red Lightning Son of one of the first men on Mars, Ray Garcia-Strickland is over the Red Planet and its gravity-dependent tourists. And when an unknown object hits Earth and causes a massive tsunami, he ’ ll get his own chance at interplanetary adventure . . . Rolling Thunder Stationed on one of Jupiter ’ s moons, Podkayne, a Martian navy lieutenant and daughter of Ray Garcia-Strickland, is finally realizing her dream of being a singer when disaster strikes. Put into a state of suspended animation, she awakens ten years later to face her—and humanity ’ s—greatest challenge . . . Praise for the Thunder and Lightning Series “ Superior science fiction. ” —The Philadelphia Inquirer “ Fast paced . . . engaging characters. ” —Rocky Mountain News “ Much more than a simple adventure story, full of poignant moments and relevant social commentary. ” —Kirkus Reviews, starred review “ The heart-pounding space race is on . . . in this riveting SF thriller . . . with hilarious, well-drawn characters, extraordinary situations presented plausibly, plus exciting action and adventure. ” —Publishers Weekly
