Skill Builders are great tools for keeping children current during the school year or preparing them for the next grade level. A variety of fun and challenging activities provides students with practice and helps introduce basic skills to new learners. This full-color workbook contains appropriate passages and exercises based on national standards for sixth through eighth grade to help ensure that children master geometry math skills before progressing. Skill Builders combines entertaining and interactive activities with eye-catching graphics to make learning and reviewing fun and effective. The compact 6" x 9" size makes this book perfect for school, at home, or on the go. It features 80 perforated, reproducible pages and an answer key.

"This workbook will help your child perform multi-digit subtraction with ease."--cover.

Algebra Part 1 is mathematics that are learned typically in elementary school as basic math. This can vary from multiple different math products, but allows the math to stay simple for those new to the math field. Algebra Part 1 can include addition, subtraction, multiplication, division, and possibly even more. Math is important to everyone in this world. Algebra Part 1 will benefit everyone as they head into the real world. Every job will require their employees to know basic math no matter what the type of job is. Math is used in every job and kids must learn it.

"This workbook will introduce your child to more complicated multiple-digit addition and subtraction."--cover.

"This workbook will introduce your child to grade three vocabulary and reading comprehension exercises in a step-by-step manner"--Cover [p. 1].
