Introduction to Business - McGraw Hill

Despite being one of the largest restaurant chains in the world, McDonald's experienced a drastic drop in sales at the beginning of the pandemic just like many other businesses. Once the chain recovered from the shock of closing tens of thousands of dining rooms, though, it refocused on streamlining its drive-thru business and menu.

Introduction to Business explains the most current business practices, providing an outstanding overview. This colorful, user-friendly textbook is regarded as the most comprehensive introductory high school business book on the market! Introduction to Business includes BusinessWeek seminars and feature stories, integrated technology, an introduction to personal finance, and a cutting-edge online simulation that gives students a powerful opportunity to practice their new skills. It also integrates science, math, language arts and social studies skills, and applies No Child Left Behind Act to course

content.

Presents an introduction to business market for several editions for three reasons: the commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience, we listen to our customers, and the quality of our supplements package.

Develop the analytical skills that are in high demand in businesses today with Camm/Cochran/Fry/Ohlmann's best-selling BUSINESS ANALYTICS, 4E. You master the full range of analytics as you strengthen your descriptive, predictive and prescriptive analytic skills. Real examples and memorable visuals illustrate data and results for each topic. Step-by-step instructions guide you through using Microsoft Excel, Tableau, R and JMP Pro software to perform more advanced analytics concepts. Practical, relevant problems at all levels of difficulty help you further apply what you've learned. With this edition you become proficient in topics beyond the traditional quantitative concepts, such as data visualization and data mining, which are increasingly important in today's analytical problem-solving. Trust BUSINESS ANALYTICS, 4E to strengthen your understanding of today's analytic concepts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Introduction to Business covers the scope and sequence of most introductory business courses. The book provides detailed explanations in the context of core themes such as customer satisfaction, ethics, entrepreneurship, global business, and managing change. Introduction to Business includes hundreds of current business examples from a range of industries and geographic locations, which feature a variety of individuals. The outcome is a balanced approach to the theory and application of business concepts, with attention to the knowledge and skills necessary for student success in this course and beyond.

Transform your company's critical operations—and its destiny—through a powerful kaizen-focused strategy designed for 21st century efficiency A pioneer of the operational excellence movement that continues to transform businesses across the world, Masaaki Imai takes you to the next step of continuous improvement—developing an overall strategy for measuring your company's operational performance and improving processes in ways that boost efficiency and gain competitiveness. In Strategic KAIZENTM, Imai walks you through the process of shifting your focus from volume and speed to his revolutionary Flow, Synchronization, and Leveling (FSLTM) evaluation—the most effective Lean paradigm available. At the heart of his approach is the concept of flow—ensuring that each work piece flows between processes without interruption and stagnation. This game-changing guide teaches you: The critical importance of assessing corporate performance from both the financial and operational standpoints How to identify basic structures of the ideal production and operating systems Proven ways of implementing FSL to establish where improvements are most needed and build a strategy that takes you to new heights of corporate performance Certain to be another instant classic from Masaaki Imai, Strategic KAIZENTM provides an abundance of case studies from companies that have successfully implemented FSLTM and tangible know-how to improve FSLTM status to achieve a lean summit. Whether you run a business, serve in public service, or practice Lean, this groundbreaking guide provides everything you need to transform your organization—and help lead it to the top of your industry, trade, or business.

From entrepreneurship to the global economy, Introduction to Business introduces your students to the ever-changing world of business and economics. It's up-to-date, full of high interest features, and designed to help your students explore business opportunities while learning to make their own informed economic decisions.
