Amazon.co.uk:Customer reviews: Mice  
Gordon Reece quotes Showing 1-5 of 5 "And all this culture, all this art, was simply a trick. It allowed us to pretend that human beings were noble, intelligent creatures who'd left their animal past behind them long ago and had evolved into something finer, something purer; that because they could write like angels they were angels.

Shelley, darling, ' Mum said. 'Don't be frightened. He just wants money. If we do everything he says, he's going to go away and leave us alone.' I didn't believe her, and I could tell from the trembling of her hands and the catch in her voice that she didn't believe it herself. When a cat gets into the mousehole, it doesn't go away leaving the mi...

'A gripping, flawless novel . . . memorable, atmospheric and chilling' Sophie Hannah Sixteen year old Shelley and her mother move to Honeysuckle cottage in the middle of the countryside, fleeing their fears and anxieties and hoping to put behind them years of suffering at the hands of others. Shelley has endured terrible bullying from the girls who used to be her best friends, and her mother has been left reeling following a divorce from her selfish, demanding husband. For Shelley and her mother are 'mice' - timid, nervous and obliging. And for a while, in their cottage-haven, the women flourish. But one night, their fragile peace is shattered when Shelley wakes to hear a creak on the stairs. Someone has broken into the house . . . In the shocking, chilling events that follow, Shelley's world is turned on its head, as the women find themselves tested as never before. And as their lives spiral out of control, the tension reaches fever pitch, and Shelley begins to wonder: if she and her mother are not mice after all, then what are they? 'Truly remarkable . . . Mice is a book many will without question be talking about' Daily Express 'A sophisticated psychological thriller . . . gripping' Guardian

An addictive debut thriller starring an FBI consultant with a peculiar taste for crime and punishment. A boy vanishes on his way home from school. His frantic mother receives a ransom call: pay or else. It's only hours before the deadline, and the police have no leads. Enter Timothy Blake, an FBI consultant with a knack for solving impossible cases but whose expertise comes at a price. Every time he saves a life, he takes one, trying to satisfy an urge he fears he can only control for so long. And this time Blake may have met his match. The kidnapper is more cunning and ruthless than any he's faced before. And he's been assigned a new partner within the Bureau: a woman linked to the past he's so desperate to forget. Because he has a secret, one so dark he will do anything to keep it hidden. For fans of Dexter and Hannibal, Hangman introduces a darkly mesmerizing character whose skill at finding criminals comes from a knowledge that can only be learned firsthand.

An enchanting and captivating novel about how our untold stories haunt us - and the stories we tell ourselves in order to survive. After her family suffers a tragedy, nine-year-old Alice Hart is forced to leave her idyllic seaside home. She is taken in by her grandmother, June, a flower farmer who raises Alice on the language of Australian native flowers, a way to say the things that are too hard to speak. Under the watchful eye of June and the women who run the farm, Alice settles, but grows up increasingly frustrated by how little she knows of her family's story. In her early twenties, Alice's life is thrown into upheaval again when she suffers devastating betrayal and loss. Desperate to outrun grief, Alice flees to the dramatically beautiful central Australian desert. In this otherworldly landscape Alice thinks she has found solace, until she meets a charismatic and ultimately dangerous man. Spanning two decades, set between sugar cane fields by the sea, a native Australian flower farm, and a celestial crater in the central desert, The Lost Flowers of Alice Hart follows Alice's unforgettable journey, as she learns that the most powerful story she will ever possess is her own.

An electrifying psychological thriller about a mother and daughter pushed to their limits. Shelley and her mom have been menaced long enough. Excused from high school where a trio of bullies nearly killed her, and still reeling from her parents' humiliating divorce, Shelley has retreated with her mother to the quiet of Honeysuckle Cottage in the countryside. Thinking their troubles are over, they revel in their cozy, secure life of gardening and books, hot chocolate and Brahms by the fire. But on the eve of Shelley's sixteenth birthday, an unwelcome guest disturbs their peace and something inside Shelley snaps. What happens next will shatter all their certainties-about their safety, their moral convictions, the limits of what they are willing to accept, and what they're capable of. Debut novelist Gordon Reece has written a taut tale of gripping suspense, packed with action both comic and terrifying. Shelley is a spellbinding narrator, and her delectable mix of wit, irony, and innocence transforms the major current issue of bullying into an edge-of-your-seat story of fear, violence, family loyalty, and the outer reaches of right and wrong.

A literary page-turner about one man's macabre ambition to create life-and-secure immortality The village of Wolfheim is a quiet little place until the geneticist Dr. Victor Hoppe returns after an absence of nearly twenty years. The doctor brings with him his infant children-three identical boys all sharing a disturbing disfigurement. He keeps them hidden away until Charlotte, the woman who is hired to care for them, begins to suspect that the triplets-and the good doctor- aren't quite what they seem. As the villagers become increasingly suspicious, the story of Dr. Hoppe's past begins to unfold, and the shocking secrets that he has been keeping are revealed. A chilling story that explores the ethical limits of science and religion, The Angel Maker is a haunting tale in the tradition of The Strange Case of Dr. Jekyll and Mr. Hyde and Frankenstein. Brought to life by internationally bestselling author Stefan Brijjs, this eerie tale promises to get under readers' skin.

A newswoman battles a powerful bureaucracy to keep journalism, a free press--and truth--alive.Set in Washington, DC, in the near future, JUST THE TRUTH explores the threats to a free press in an era of growing, unchecked government and the indomitable spirit of one journalist who risks her career, her reputation--and ultimately her life-- to uncover a plot to subvert free elections in America.JUST THE TRUTH is a political thriller and murder mystery that explores a pivotal issue facing America today: What is happening to truth in journalism? Are we in danger of losing it? This riveting drama raises questions and issues that concern us all. The story examines how abuses of power can undermine our foundational freedoms and promises to have a profound and lasting impact on its readers.JUST THE TRUTH is the of story of Laura Taninger, president of Taninger News, the media organization started by her grandfather, firebrand newspaper mogul Julius Taninger ("JT"). Find the truth, wherever it hides was JT's slogan in the mid-20th century. Then, politicians feared his scathing editorials. Now, 70 years later, with JT deceased and his four heirs running the companies he created, have the tables turned? In our modern day, does the press--and private citizens, in general--still have the freedom to criticize public officials, or do those officials have the power to retaliate and intimidate their opponents? How should those under attack respond? These questions rock the Taningers' corporate empire and pit family members against one another when Laura investigates suspicious activities surrounding President Ken Martin's bid for reelection.With controversies abounding about the integrity of today's journalism, the plot and theme of this story could not be more timely.

Keith Donohue's first novel, The Stolen Child, was a national bestseller hailed as "captivating" (USA Today), "luminous and thrilling" (Washington Post), and "wonderful...So spare and un sentimental that it's impossible not to be moved (Newsweek. His new novel, Angels of Destruction, opens on a winter's night, when a young girl appears at the home of Mrs. Margaret Quinn, a widow who lives alone. A decade earlier, she had lost her only child, Erica, who fled with her high school sweetheart to join a radical student group known as the Angels of Destruction. Before Margaret answers the knock in the dark hours, she whispers a prayer and then makes her visitor welcome at the door: The girl, who claims to be nine years old and an orphan with no place to go, beguiles Margaret, offering some solace, some compensation, for the woman's loss. Together, they hatch a plan to pass her off as her newly found granddaughter, Norah Quinn, and enlist Sean Fallon, a classmate and heartbroken boy, to guide her into the school and town. Their conspiracy is vulnerable not only to those children and neighbors intrigued by Norah's mysterious and magical qualities but by a lone figure shadowing the girl who threatens to reveal the child's true identity and her purpose in Margaret's life. Who are these strangers really? And what is their connection to the past, the Angels, and the long-missing daughter? Angels of Destruction is an unforgettable story of hope and fear, heartache and redemption. The saga of the Quinn family unfolds against an America wracked by change. As it delicately dances on the line between the real and the imagined, this mesmerizing new novel confirms Keith Donohue's standing as one of our most inspiring and inventive novelists.

Reduced to begging and thievery in the streets of London, a thirteen-year-old orphan disguises herself as a boy and connives her way onto a British warship set for high sea adventure in search of pirates.
