can be an incredibly rewarding experience for the properly prepared board member.

This book is for the generous and busy people who agree to give of their time and talents by serving on nonprofit boards.

Nonprofit boards often fail to do a good job of board member orientation for a variety of reasons. It takes a significant

amount of time and effort to plan and conduct quality board member orientation programs, and every time a new board member arrives, it's time to do it again! Because of the challenges associated with providing quality board member orientation, many nonprofit organizations do not do it at all, leaving their board
