Oleanna is a 1992 two-character play by David Mamet, about the power struggle between a university professor and one of his female students, who accuses him of sexual harassment and, by doing so, spoils his chances of being accorded tenure. The play's title, taken from a folk song, refers to a 19th-century escapist vision of utopia.

~~Oleanna (play) - Wikipedia~~
" Oleanna," a powerful two-character drama by David Mamet, explores the destructiveness of miscommunication and excessive political correctness. It is a play about academic politics, student/teacher relationships, and sexual harassment.

~~Summary and Analysis of David Mamet's Play 'Oleanna'~~
One writer perceptively suggests that the term "Oleanna" was used to describe swampland being sold as prime real estate. I think the primary context in which the title "Oleanna" is to be understood appears in a "folk" stanza preceding Mamet's published edition of the play: "Oh to be in 'Oleanna,'/ That's where I would rather be,/ Than be bound in Norway/ And drag the chains of slavery."

Brief Summary of Book: Oleanna by David Mamet Here is a quick description and cover image of book Oleanna written by David Mamet which was published in 1993–. You can read this before Oleanna PDF EPUB full Download at the bottom.

In a terrifyingly short time, a male college instructor and his female student descend from a discussion of her grades into a modern reprise of the Inquisition. Innocuous remarks suddenly turn damning. Socratic dialogue gives way to heated assault. And the relationship between a somewhat fatuous teacher and his seemingly hapless pupil turns into a fiendishly accurate X ray of the mechanisms of power, censorship, and abuse.

A male college professor uses an interview with one of his female students to take advantage of her

David Mamet is widely considered to be the voice of contemporary American Theatre. His use of what is taken to be realistic language together with minimalist staging creates a postmodern combination that pushes an audience in conflicting directions. The result is that initial audiences for Oleanna were aroused to applaud and loudly react to the ending of the play when a male teacher beats a female student. The issues the play raises about political correctness are turned on their head. Oleanna is a particularly complex play in terms of both form and content and this guide offers a theoretically informed introductory analysis. It provides students with a comprehensive critical introduction to the play and includes new interpretations of the text in light of recent developments in Mamet's playwriting and the intervening shifts in the political landscape.

Publisher Description

In this gripping short play, David Mamet combines mercurial intelligence with genuinely Hitchcockian menace. The Cryptogram is a journey back into childhood and the moment of its vanishing—the moment when the sheltering world is suddenly revealed as a place full of dangers. On a night in 1959 a boy is waiting to go on a camping trip with his father. His mother wants him to go to sleep. A family friend is trying to entertain them—or perhaps distract them. Because in the dark corners of this domestic scene, there are rustlings that none of the players want to hear. And out of things as innocuous as a shattered teapot and a ripped blanket, Mamet re-creates a child terrifying discovery that the grownups are speaking in code, and that that code may never be breakable.

American Buffalo, which won both the Drama Critics Circle Award for the best American play and the Obie Award, is considered a classic of the American theater. Newsweek acclaimed Mamet as the “hot young American playwright . . . someone to watch.” The New York Times exclaimed in admiration: “The man can write!” Other critics called the play “a sizzler,” “super,” and “dynamite.” Now from Gregory Mosher, the producer of the original stage production, comes a stunning screen adaptation, directed by Michael Corrente and starring Dustin Hoffman, Dennis Franz, and Sean Nelson. A classic tragedy, American Buffalo is the story of three men struggling in the pursuit of their distorted vision of the American Dream. By turns touching and cynical, poignant and violent, American Buffalo is a piercing story of how people can be corrupted into betraying their ideals and those they love.
