Taken against the Arcadian backdrop of her woodland summer home in Virginia, Sally Mann ' s extraordinary, intimate photographs of her children reveal truths that embody the individuality of her own family yet ultimately take on a universal quality.

Sally Mann: Immediate Family | Aperture

Sally Mann ' s " Immediate Family ". Sally Mann, an American woman photographer, entered the history of the photo art world not because of her special talents, but because of a scandal. From her youth, Sally preferred to take pictures of nude nature. She was interested in the male gender early on, and while studying in a boarding house she would often close herself in a photo lab with young people.

Sally Mann's "Immediate Family" | USA Art News

Sally Mann ' s " Immediate Family " shows us the sensuous and sometimes disturbing side of childhood. The controversy that " Immediate Family " stirred up is a direct reflection of the times in which it was produced, and says more about the adult viewer than of the child subject. Sally Mann chooses to explore the concept of childhood and " growing up " using a variety of the sensual, reality and the fantastic; all through a maternal eye.
