Great site for overall cell information and cool cell stuff

~~Shelly's science spot~~

Welcome to the Science Spot, your source for FREE lessons, activities, and resources for middle school science teachers!  
Science of Spin (PPT) - This lesson was developed for use during our Nature of Science unit, but could be used as a fun day activity before winter vacation. The activity challenges students to make observations of a spinning "tube" or "redneck fidget spinner" (as I call them), which are pieces of PVC pipe (1/2" diameter, 2.5" long).
