The first volume of 'Crossroads', 'Spirit Gate', begins in the 'Hundred' where giant eagles carry reeves (itinerant law officers) between the small towns, settling disputes and keeping the lines of communication open. But the lands are becoming more lawless, and the reeves no longer command the respect they once did.

World Fantasy and Nebula Award finalist Kate Elliott breaks new ground in a brilliantly original new fantasy set in a unique world of fabled cities, mysterious gods, and terrible dangers. From the first page readers will be swept up in the story of Mai and Captain Anji, as they become unwitting players in a conflict that began many years earlier, and which will shake the foundations of their land. For hundreds of years the Guardians have ruled the world of the Hundred, but these powerful gods no longer exert their will on the world. Only the reeves, who patrol on enormous eagles, still represent the Guardians' power. And the reeves are losing their authority; for there is a dark shadow across the land that not even the reeves can stop. A group of fanatics has risen to devour villages, towns, and cities in their drive to annihilate all who oppose them. No one knows who leads them; they seem inhumanly cruel and powerful. Mai and Anji, riding with a company of dedicated warriors and a single reeve who may hold a key to stopping the deadly advance of the devouring horde, must try, or the world will be lost to the carnage. But a young woman sworn to the Goddess may prove more important than them all . . . if they are not too late. A haunting tale of people swept up by the chaos of war, this is superlative fantasy adventure, rich in texture, filled with color and excitement, masterfully crafted by a brilliantly gifted storyteller. The captivating, bestselling Spirit Gate swept readers into the turbulent world of the Hundred, where the peace and order of life under the protection of the immortal Guardians has given way to chaos and violence. In the face of a vast horde of marauders led by a rogue Guardian, the bravery and resourcefulness of a lone eagle-reeve and others who risk their lives for the common good have prevented death and destruction from overwhelming the Hundred. Now in Shadow Gate, the enthralling sequel, the source of corruption of the Guardians is still a mystery to the mortals who fight to withstand the forces that have turned against them. And when three new Guardians emerge, a struggle begins among the immortals, with nothing less at stake than the future of the land and its gods. With all the color, excitement, and narrative power that have made Kate Elliott an enormously popular writer, Shadow Gate weaves a powerful spell of action, romance, and magic that

will entrance legions of readers. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Guardians of justice in the world of the Hundred endeavor to protect a precarious peace that is further threatened by a traitor with Imperial ambitions.

Twenty two years have passed since Kellas, once Captain of the legendary Black Wolves, lost his King and with him his honor. With the King murdered and the Black Wolves disbanded, Kellas lives as an exile far from the palace he once guarded with his life. Until Marshal Dannarah, sister to the dead King, comes to him with a plea-rejoin the palace guard and save her nephew, King Jehosh, before he meets his father's fate. Combining the best of Shogun and Vikings, Black Wolves is an unmissable treat for epic fantasy lovers everywhere.

The Wild Hunt is stirring - and the dragons are finally waking from their long sleep... Cat Barahal was the only survivor of the flood that took her parents. Raised by her extended family, she and her cousin, Bee, are unaware of the dangers that threaten them both. Though they are in beginning of the Industrial Age, magic - and the power of the Cold Mages - still hold sway. Now, betrayed by her family and forced to marry a powerful Cold Mage, Cat will be drawn into a labyrinth of politics. There she will learn the full ruthlessness of the rule of the Cold Mages. What do the Cold Mages want from her? And who will help Cat in her struggle against them?

Cat Barahal and her beloved cousin Bee think they have reached a safe place to shelter. But the Cold Mages who are conspiring to take them prisoner are closing in. The warlord who hopes to conquer all Europa is convinced their destiny is to aid him, whether they want to or not. And the man Cat was forced to marry is back, as vainly arrogant and annoyingly handsome as ever. Worst of all, as Hallows' Night approaches, powers hidden deep within the spirit world are rising. Cat must seek allies against these threats and figure out who to trust, for if she makes the wrong choices, she'll lose everything. Only one thing is certain. When Hallows' Night comes the Wild Hunt will ride- and it feeds on mortal blood.

New York Times bestselling author Mercedes Lackey has enchanted readers since the publication of her first novel, Arrows of the Queen. Now she takes readers on another thrilling journey with the first novel in her Mage Winds series... High magic had been lost to Valdemar when he gave his life to save his kingdom from destruction by the dark sorceries. Now it falls to Elspeth Herald, heir to the throne, to take up the challenge and seek a mentor who will awaken her mage abilities.

The fantastic conclusion to the Spiritwalker trilogy! Trouble, treachery, and magic just won't stop plaguing Cat Barahal. The Master of the Wild Hunt has stolen her husband Andevai. The ruler of the Taino kingdom blames her for his mother's murder. The infamous General Camjiata insists she join his army to help defeat the cold mages who rule Europa. An enraged fire mage wants to kill her. And Cat, her cousin Bee, and her half-brother Rory, aren't even back in Europa yet, where revolution is burning up the streets. Revolutions to plot. Enemies to crush. Handsome men to rescue. Cat and Bee have their work cut out for them.

When Darkness Falls, the third book in The Obsidian Trilogy from Mercedes Lackey and James Mallory Despite a great working of Wild Magic and High Magic that struck at the heart of the Demon Queen's evil plots, Knight-Mage Kellen and his Elven allies are still seen as enemies by the human Mage Council. The Elves and their allies must find a way to shatter the Demons' hold on the human Mages, for without their High Magic, the forces of Light will be destroyed by the forces of Darkness. The Commander of the Armies of Light decides to turn an Elven mine into a refuge for those driven from their homes by the war. Kellen is put in command of the force of engineers and warriors who will fortify the mine and does not learn until it is nearly too late that the caverns are full of Shadowed Elves. Vestakia, the half-human, half-Demon healer, finds that she has begun to be able to read the mind of her Demon father, Crown Prince Zyperis. The Demon Queen, Savilla, is preparing a great sacrifice that will summon He Who Is back to the world and make her the ultimate ruler forever. When Wild Mage Idalia learns of Savilla's plans, she knows there is only one way to prevent the coming of He Who Is. A very different sort of sacrifice must be made.
