On average, a Sportster top end will
get rebuilt twice before a bottom end
rebuild is needed, but remember that

Acces PDF Sportster Engine Rebuild

you're dealing with a 50 year-old machine. It may be prudent to do a complete engine rebuild from the flywheels up. Inspect The Cases Carefully. Always check carefully for cracks upon disassembly.

engine. The Sportster 1200 engine is a reliable and quality built engine, but there are some things you should look out for when buying used. The engine should be clean with no signs of oil leakage. You should also ensure that the shift shaft is not bent or damaged. It is also helpful to look for a Sportster
