Common farm and ranch

animals, and pets; As I said, I really like the Storey books, and I have several of them.

*Basic Country Skills: A
Practical Guide to Self-
Reliance*

The Basic Country Skills (BCS) extracts information from many other books, and puts them in one reference text. There are a few parts where I think the editors forgot to re-label diagrams (specifically in the "how to butcher a cow" section) but if you're planning on slaughtering your own animals, you should probably buy a reference manual
