Ma Jian's justified critique of China ' s horrific human rights violations in the name of policy is plain to see across his body of work, and the thread is sustained here. The Dark Road is a novel, artfully translated by his wife Flora Drew, that does not mollify life under China ' s regime, or its ' polluted skies, lands and waterways.

Ma Jian has written a shocking novel, THE DARK ROAD, that chronicles the inhumane policies of China ' s one-child policy. It ' s chilling, infuriating, and almost unbearable to read with its dark detail. Perhaps the most disturbing feature of Ma ' s story is the knowledge that you, the reader, can do nothing about it.
