The Night of Wenceslas is the debut novel of British thriller and crime writer Lionel Davidson. This Bildungsroman describes the reluctant adventures of Nicolas Whistler, a dissolute young man of mixed English and Czech parentage who finds himself caught up against his will in Cold War espionage.

**The Night of Wenceslas - Wikipedia**
The Night of Wenceslas, Lionel Davidson's debut thriller, was an instant and massive success upon publication in 1960. Its taut prose and masterful plot pushed him to the front ranks of the genre. It was described by the New Yorker as 'so enriched with style, wit, and a sense of serious comedy that it all but transcends its kind' and by Newsweek as 'downright superb.'

**Amazon.com: The Night of Wenceslas (9780571242887)**
The Night of Wenceslas is a spy thriller and quickly picks up a pace with the main character, Nicholas Whistler, bouncing between his life in the UK and an ever deepening complexity of life in Prague. The story develops quickly but the ending implodes and the slower paced ending seems inappropriate in comparison with the rest of the book.

**The Night of Wenceslas by Lionel Davidson**
The Night of Wenceslas is the debut novel of British thriller and crime writer Lionel Davidson. It describes the reluctant adventures of Nicolas Whistler, a dissolute young man of mixed English and Czech parentage who finds himself caught up against his will in Cold War espionage.

**The Night Of Wenceslas by Lionel Davidson**
The Night of Wenceslas was written by Lionel Davidson and published in 1960. It was Davidson's début novel and won several awards including the Crime Writer's Association Gold Dagger. Davidson went on to have a successful career, writing many bestselling espionage and adventure thrillers.

**The Night of Wenceslas - Book Review**
The Night of Wenceslas is the debut novel of British thriller and crime writer Lionel Davidson. It describes the reluctant adventures of Nicolas Whistler, a dissolute young man of mixed English and Czech parentage who finds himself caught up against his will in Cold War espionage.

The man we know as 'Good King Wenceslas' was actually Wenceslaus I, Duke of Bohemia. He was also known as Vaclac the Good, or Svatý Václav in Czech and lived from c.907 to 28 September 935. And the reason we have his exact date of death is that he was assassinated - on the orders of his brother, appropriately named Boleslaus the Cruel.

**The real story behind the carol Good King Wenceslas**
In September 935, a group of nobles allied with Wenceslas's younger brother Boleslav plotted to kill him. After Boleslav invited Wenceslas to the feast of Saints Cosmas and Damian in Stará Boleslav, three of Boleslav's companions, Tira, Česta, and Hněvsa, fell on the duke and stabbed him to death.

THE CAROL. ALL: Good King Wenceslas looked out, upon the Feast of Stephen, when the snow lay round about, deep and crisp and even: brightly shone the moon that night, though the frost was cruel, when a poor man came in site, gathering winter fuel. KING: Hither page and stand by me! I you know it telling: yonder man who is he, where and what his dwelling? PAGE: Sir he lives a good way hence ...
