The inside story of the legendary actor's 65-year career - from radio to classic movies and horror films to Broadway - and his family life. "Entertaining and touching." - The New York Times.

Vincent Price is a true Hollywood legend, whose vast and distinguished career-as the voice of The Saint on the radio, in such unforgettable films as House of Wax and The Fly, and on the Broadway stage-spanned more than a half-century. In addition to being an icon of stage and screen large and small, Price was also an avid art collector, a gourmand, a dashing and relentless charmer, and a loving father. His daughter Victoria was born shortly before Price turned 51, at the height of his popularity. Though the star's busy film schedule took him in and out of his young daughter's life, he was always a larger-than-life presence and, simply, her father. Victoria adored him, and despite his harrowing schedule, their relationship was close. That is, until Price married his third wife, the headstrong and independent actress, Coral Browne. Victoria was a girl of twelve, and her new stepmother resented the strong relationship between father and daughter, and consequently did much to keep the two apart. Late in Price's life, however, he and his daughter were brought together again for some of their most memorable time together. In this elegant biography-cum-memoir, Victoria Price reveals a man both complex and human. An actor of range, he starred in both the film noir milestone Laura and the Biblical classic The Ten Commandments. As a "pre-war anti Nazi sympathizer," he was greylisted during the Red Scare of the 1950s-until, in a desperate gesture, he signed a secret oath that saved his career. And his passion for the arts gave him a second life as an erudite columnist and collector, even as his films graced drive-ins nationwide. Victoria Price's account life of her father is full and candid; both his passionate and charismatic public persona and his conflicted inner life are treated with curiosity and understanding. Vincent Price: A Daughter's Biography is, in short, the thorough-and uniquely intimate-life of a legend.

Published in 1959, this book is what Vincent Price called his "visual autobiography" - the story of his life through his 48th year as seen through the lens of his greatest passion, the visual arts. Peppered with lively stories about both his art collecting and advocacy as well as his career as an actor, I Like What I Know is written in an approachable and entertaining style, capturing what has drawn fans to Vincent Price throughout his distinguished 65-year-career and in the two decades since his death in 1993.

The actor and gourmet offers scores of easy-to-make recipes from around the world. This handsome hardcover edition includes culinary-related journal entries from Price's international travels plus his daughter's reminiscences of his home cooking.

The noted actress recounts her early shyness and anxieties, her years as a contract actress at Universal, her break with the studio system, her subsequent career in film, the theater, and television, and her personal life.

In this intimate, inspiring guide to finding one's path, the daughter of Vincent Price shares her journey toward accepting his legacy of remaining curious, giving back, practicing joy, and saying yes.

Prior to his death in 1993, Vincent Price was collaborating with Mr. Joel Eisner (author of the over 100,000 copy bestselling Official Batman Batbook concerning the '60's Adam West Batman television series) to construct a definitive, official biography of his life and career in films. This is that book. Sanctioned by the Vincent Price Estate and daughter Victoria, THE PRICE OF FEAR is not only told through journalist Eisner's personal interviews with Price himself but with the cooperation, direct interviews and quotes from many of those with whom Price worked with throughout his illustrious career. Before he passed away, all Vincent saw of this book was his fellow actor Peter Cushing's heartfelt foreward. Introducing the true story of a man born within a moderately wealthy family of candy manufacturers in 1911 St. Louis, Missouri, whose interest in theatre during the Great Depression led him into eventually becoming, arguably, the most universally iconic personification of the horror genre in the entire encompassment of the 20st Century. That man was Vincent Leonard Price, Jr. What you now hold in your hands is the only authorized, official biography about Vincent Price's entire life in films ever published in history with his direct participation and approval, in his own words. Never before has the story of Vincent's life been told, how he rose from dramatic theatre and stage to joining the ranks of the early cultured Hollywood elite fresh from where motion pictures were first spawned to eventually spend his life behind horrifying makeup and horror genre movie roles at the sacrifice of a greater passion for fine art and comedy. For nearly a century, we've known the name. We've heard the voice. We've seen the many faces. At last, with The Price of Fear: The Film Career of Vincent Price, in His Own Words, we can know the man, directly from the legend himself, in this never-before-published highly entertaining and inspirational masterpiece.

The acclaimed actor known for his outspoken opinions and candid discourses looks back on his eventful career in Hollywood, describing his work with such notables as Alfred Hitchcock, Paul Newman, John Wayne, and Jane Fonda and explaining why his emphasis on artistic challenge over career development has kept him from the peak of celebrity fame.

The well-known actor and seasoned gourmet presents a charming guide to home cooking that focuses on four centuries of traditional American cuisine. The richly illustrated hardcover volume offers a wide range of easy-to-make recipes, including many regional favorites.
